

6. SCHOOLS

Foster increased facilities for our public and institutional schools.

7. TRAFFIC REGULATIONS

Institute measures for greater traffic regulation: and safety

8. UNION STATION

Secure a new union station

9. PARKS & PLAYGROUNDS

Provide for recreational facilities and beautification of the city and its parks.

10. RURAL INTERESTS

Awaken a better appreciation of the mutual interests of Raleigh and its surrounding territory.

FORUM OR DISCUSSIONAL PROGRAM

Certain projects will require discussion and the winning of a large interest and support before they are undertaken, if efforts are to be successful.

A single meeting of the membership forum may indicate a degree of interest in a topic that will justify its immediate transference to the Major Program by the Board of Directors, and the appointment of a committee to begin work.

1. FREIGHT RATES AND TRANSPORTATION

Support all movements for better freight rates and transportation service.

2. BELT LINE

Investigate the possibilities of a belt line railroad.

3. CITY GOVERNMENT

Present to the membership and public pertinent information regarding the methods and functions of the city government.

4. BUILDING FOR CIVIC ORGANIZATION

Study the needs and opportunities for a building to serve as the center of all civic organizations in Raleigh.
